

# tesa® 60023

Spray glue REPOSITIONABLE, 500ml

## PRODUCT INFORMATION

### Product Description

tesa® Spray Glue REPOSITIONABLE 60023 is a glue for the temporary bonding of lightweight materials such as paper, cardboard and film. For holding templates in place, billboards, posters, photos, decorations for exhibition stands, layouts or technical drawings.

- Transparent glue
- Easily removable with thin spray to one side, permanent bonding with strong spray to both sides
- Suitable especially for lightweight materials with smooth surfaces
- Will not permeate, stain or wrinkle the surface
- Dispersed fine and evenly
- Additional wider nozzle for large area bonding integrated in the cap
- Free from silicone

### Main Application

tesa® Spray Glue REPOSITIONABLE 60023 is specially designed for use in

- Graphic design
- Advertising agencies
- Exhibitions and fairs
- Mounting displays
- Office applications

and many other professional applications in industry and craft. Furthermore, tesa® Spray Glue REPOSITIONABLE 60023 is suitable for the general use at home.
